

RIG-A-LITE

# QuickShip Products Program

It's no secret that quality lighting is crucial for production and safety - and downtime is not an option. That's why AZZ is pleased to introduce a QuickShip program designed to deliver a wide selection of our core products within days; helping you meet tight project deadlines or restore safe and efficient illumination quickly.

Fixtures for many applications can be shipped in 2 to 3 days. If it's an emergency, no problem, we can ship these selected products in 24 hours for a nominal fee (please note orders for 24 hour delivery must be placed by 12:00 PM CST). Quantity limitations apply.

## Qualifying Products

Model	Style	Wattage	Operating Voltage	Total Lumens	Lumens per Watt	CRI	CCT	Ambient Temperature
AVPH20L2UHFGC	Industrial globe and guard - aluminum	20W	120V - 277 V 50/60 Hz	1769	87	83	4017	-20°C < Tamb < 50°C
HZALJ10LUFGC	Hazardous location area light	67W		9636	144	81	4896	-40°C < Tamb < 70°C
LHFL20LUT76	Hazardous location floodlight/high-bay	164W		20239	124	72	5046	-40°C < Tamb < 65°C
LHFLJ12LUTP76	Hazardous location floodlight/high-bay	98W		12919	131	71	4824	-40°C < Tamb < 65°C
LHFLJ13LUTP76	Hazardous location floodlight/high-bay	119W		14121	119	71	4994	-40°C < Tamb < 65°C
LHFLJ15LUTP76	Hazardous location floodlight/high-bay	132W		15359	116	72	4961	-40°C < Tamb < 65°C
MHL07LC4URIG	Hazardous location linear, Safety Cbl / Mtg Brkt	52W		7261	140	83	4105	-35°C < Tamb < 60°C
MHL07LC4UMB	Hazardous location linear, Mtg Brkt	52W		7261	140	83	4105	-35°C < Tamb < 60°C
SXPJ11L2UGPP	Explosionproof area light	96		8829	94	73	4863	-20°C < Tamb < 55°C
XML07LC4UMB	Explosionproof linear, Mtg Brkt	54W		7291	134	82	4167	-40°C < Tamb < 60°C
XML07LC4URIG	Explosionproof linear, Safety Cbl Mtg Brkt	54W		7291	134	82	4167	-40°C < Tamb < 60°C
